1. [ ] LIAISON Talked with George Pickett, Senate Select Committee on Intelligence staff, and told him we had been unable to locate the calendar which he inadvertently left during a meeting with Office of Data Processing officials. Pickett had later phoned the office and asked them to send it to me but my name was misunderstood. Also, Pickett gave the wrong room number. I told Pickett we are continuing to check for it.

8. [ ] LIAISON Met with Ben Marshall, Security Director, Senate Select Committee on Intelligence, and discussed the compartmented briefing acknowledgements which Marshall has sent back to me. He asked if I would provide him a copy of each of the acknowledgements for the Committee's own security files. I responded that I didn't think that would be a problem. In addition, I told Marshall that new staff members had joined the Committee and that we would need similar acknowledgements from them. I told Marshall we would work these acknowledgements into our regular compartmented briefings from now on and he agreed this was the way it should be done.
